# About Wabasha Main Street

Wabasha Main Street (WMS) is a grass roots organization of volunteers focusing on revitalizing our traditional downtown commercial district. WMS follows the Four Point Approach set forth by the National Main Street Program, a division of the National Trust for Historic Preservation. The Four Points include:

- **Organization** — building leadership, ensuring community engagement and forging partnerships
- **Economic Vitality**—creating a diverse economic base, catalyzing new investment, cultivating strong entrepreneurship
- **Promotion**—Marketing the district's defining assets, communicating unique features, supporting buy-local experience
- **Design**— Creating an inviting and inclusive atmosphere, celebrating the historic character, fostering accessible people-centered public spaces

The WMS works closely with the City of Wabasha, the Wabasha Heritage Preservation Commission, the W-K Chamber of Commerce and the State Health Improvement Program.
